

# **Treat Everyone the Way You Want to be Treated**

# **46**

There are many wonderful principles in the Bible. If applied to one's life, they would cause him or her to be a much happier person. One such principle is sometimes called the Golden Rule. It is found in Matthew 7:12: "Therefore all things whatsoever ye would that men should do to you, do ye even so to them: for this is the law and the prophets."

Wouldn't it be wonderful if everybody in the world obeyed that little Bible principle. Just think, there would be no stealing, killing, vandalism, adultery nor many, many other things.

It is sad that we have come to a time in human history where a large segment of our society has no respect for human life or for people's property or anything else. Never do anything to anyone else you would not want him to do to you, and never treat him in a way that you would not want someone to treat you.
